Alle modellen met 250 en 300 mm alleen leverbaar in 230/1/50. Alle modellen met 400 mm leverbaar in 230/1/50 (standaard) en 400/3/50 (op aanvraag). Alle modellen met 500 mm alleen leverbaar in 400/3/50.

Voor alle modellen geldt dat er diverse opties tegen meerprijs (op aanvraag) geleverd kunnen worden, bijvoorbeeld : heetgasontstopping, waterontstopping, geïsoleerde lekbak, uitblaasdifussors, ontstoppingkleppen.

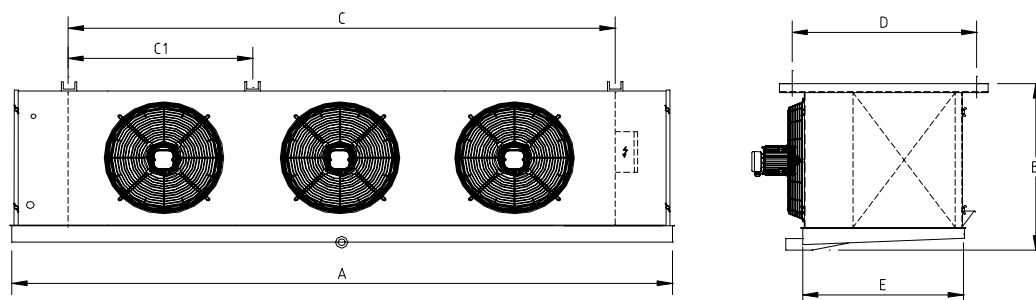

1) Toe te passen met heetgas/warmwater. Capaciteitsbepalingen op aanvraag.

2) Conpro Progreen coating.

\* Geschikt voor ventiel zonder uitwendig drukvereffening

Voor de koelvermogens bij andere condities verwijzen wij u naar onze technische documentatie en / of het selectieprogramma Delta Plus 2005.
