Ref: 03793 Ref: 03793

## **Cooling plant with NH3 compressor**

Manufacturer : Gram
Model : GSV 185
Year : 1998
Location : Europe

General details: Compressor NH3

Manufacturer : Gram

Model Evaporation/ : GSV 185

Condensation Cooling : -10/+35 C

power 1.230.000W

Electromotor power Max. 315 kW

Pressure 24 bar

## Plate heat-exchanger/evaporator

Manufacturer : Alfa Laval
Cooling power : 1.000.000 W
Cooling media : T -1/-5 C

Receiver Separator

Evaporative condenzor

Pumps Valves

## **Terms & Conditions**

Delivery time: Immediately Delivery terms: As is, where is

Payment terms: 20% with purchase order

80% before delivery

Way of payment: Wire transfer

Second hand machine with no guarantee Machine subject to prior sale Pictures attached
