Description

Used Trane RTHF 535 HSE

New Trane RTHF 535 HSE XStream water cooled chiller on R1234ze build in 2020. Complete with 2 Trane CHHC1C2D0P0 screw compressors each with a Trane TR200 frequency drive, Trane CDS C550A shell and tube condenser, shell and tube evaporator and a control panel with a Trane TD7 colour display.

*All components of this chiller will be tested on good working, leak free condition (condensing blocks), compressors, fans, control panel, etcetera). Choosing HOSBV means buying with warranty. We perform an industrial cleaning and rust spots will be covered. Also, we can arrange your shipment.
