Package / Rack	✓
Condensing Unit	✓
Sizes	2980x2430x2580 mm (LxWxH)

### Description

#### Used Bitzer HSN 7471-75 (x2) DX unit

Used Bitzer HSN 7471-75 (x2) DX compressor rack on Freon with an economizer. Complete with Bitzer K3603T shell & tube condenser, brazed heat exchangers, Bitzer OA4088 oil separator with a volume of 88 liter, pressure and safety switches/gauges and a control cabinet. The compressors have a total displacement of 500 m³/h at 50 Hz & 604 m³/h at 60 Hz.

For now there is missing a compressor on one of the two sets, but we will install a Bitzer HSN 7471-75 screw compressor on the skid.

\*Why choose for HOSBV? Were not only the largest used refrigeration specialist

in Europe, but also, we solely deliver our orders after performing an extensive test and an industrial cleaning. If requested we are happy to arrange your logistics.
