

Ammonia absorber

Specifications

Marka	Ammonia absorber
Stock	2

Description

Used Ammonia absorber

Used Absorber for Ammonia (NH₃). This ammonia absorber can be used well in combination with an airpurger. The air from a cooling system can get in here and the water sprinkler absorbs the ammonia. This way less of the ammonia odor is released. Dimensions: 1000x500x1800 mm (LxWxH).

*Why choose for HOSBV? We are not only the largest used refrigeration specialist in Europe, but also, we deliver all equipment including an extensive test, warranty and an industrial cleaning. *Optionally we can also perform a new paint job and arrange the logistics.
