Description

Used Trane RTWD 250

Used Trane RTWD 250 water cooled chiller on R134A. Complete with 2 Trane semi-hermetic screw compressors, Trane CDS C5AM1 shell and tube condenser, shell and tube evaporator, SWEP B10THx30/1P-SC-S braced heat exchanger and a control cabinet with a Trane CH530 control display.

*All components of this chiller will be tested on good working, leak free condition (condensing blocks, compressors, fans, control panel, etcetera). Choosing HOSBV means buying with warranty. We perform an industrial cleaning and rust spots will be covered. Also, we can arrange your shipment.
